# ARBOR DAY

The Times photo by Steven Furlow

Members of the North Elementary School Fourth Grade Ambassadors, above, were joined by Noblesville Mayor John Ditslear and Noblesville Urban Forester Paul Lindeman Friday to plant a tree at the school in recognition of Arbor Day. Ambassador Toni Suster, right, lays down mulch around the tree.

In downtown Noblesville members of Keep Noblesville Beautiful, below left, handed out tulip trees, below left, and Hamilton County Master Gardeners Randy and Jacquie Banks, below right, cut and separate hostas to hand out.
