

THE INDIANAPOLIS STAR

KEEP NOBLESVILLE BEAUTIFUL THIS WEEKEND

This year's Keep Noblesville Beautiful Spring Neighborhood Clean-up Blitz is May 19.

Volunteer groups will clean up the Old Town area bordered by North Street, Evans Avenue, 10th and 16th streets.

It's the seventh blitz for the nonprofit that engages citizens in beautifying the city, improving the quality of the environment and fostering pride in the community.

The cleanup will take place in partnership with the Noblesville Street Department, City Hall, Hamilton County Master Gardeners and tree stewards from the Indiana Department of Natural Resources.

The North Side Crime Watch group earlier canvassed the neighborhood finding homeowners who needed outdoor work, such as pruning, removing old landscaping, weeding, mulching and painting. The Church of Jesus Christ of Latter-day Saints, Noblesville High School National Honor Society and CERT Community Emergency Response Team are other volunteer groups helping.
