Mayor Ditslear thanks David, Olivia and Isabell Helmer for volunteering for the day's events.

On July 11, 60 volunteers from Helmer Scientific, Boy Scout Troop 101 and local residents spent the morning helping 15 neighbors with their landscape projects as part of the Keep Noblesville Beautiful Neighborhood Blitz.

Services such as mulching, tree trimming, gardening, painting and eaves-cleaning were offered free of charge to residents in the neighborhood bordered by 17th and 19th Streets on Division and Hannibal Streets. The event was co-sponsored by Serve Noblesville. Two 20-yard dumpsters were filled with unwanted items from yards and garages.
