Disposal Alternatives Organization (DAO), a central Indiana company that provides free recycling services to municipal governments, neighborhood associations, civic groups, and citizens, will be accepting recycling donations from 8 a.m. to 1 p.m. Saturday at the west parking lot of the Noblesville High School Freshman Campus, 1625 Field Drive.

The following items will be accepted: computers; appliances; air conditioners; card-

board; batteries; A/V equipment; medical equipment; wiring and cables; office machines; paper; clothes; metals; lawn tools; plastics; carpet; bicycles; CRT monitors; and TV's (there will be a fee of \$5 per TV collected).

In addition, DAO will provide free pick up of large appliances, washers, dryers, refrigerators, water heaters, furnaces, lawn mowers, and other large items during the week of May 23 to anyone who lives within the Noblesville city limits. Those who are inter-

ested in this service must call DAO at 375-7788 to schedule a pick up appointment.

This recycling event is being held in conjunction with Keep Noblesville Beautiful's (KNB) neighborhood cleanup blitz taking place between 8 a.m. and 5 p.m. Saturday. The cleanup blitz will be held in cooperation with the Noblesville Street Department, the Hamilton County Master Gardeners, and the IDNR Tree Stewards. The cleanup is focusing on the Lincoln Circle Neighborhood, bordered by 12th Street on the

west, Hamilton on the north, 15th Street on the east and Roosevelt on the south.

Volunteers are still needed for this event to assist with such tasks as mulching, painting, brush pickup, and fence demolition and removal. Those interested in helping are asked to e-mail KeepNoblesvilleBeautiful@gmail.com or visit www.KeepNoblesvilleBeautiful.org. The goal of the KNB neighborhood blitz program is to improve Noblesville one neighborhood at a time by improving one home at a time.
